

Pedestrian Walkway (Lake Street) Motor Vehicle Permit Application

According to Village Ordinance 437, motor vehicles are prohibited on the pedestrian walkway and mall area, except emergency vehicles and motor vehicles that have received a special permit from the Village Board. **Any person violating this ordinance may be subject to a forfeiture of any amount not to exceed \$500 plus the costs and disbursements of the prosecution.**

In order to be considered for a special permit, this application needs to be approved by the Village Board. All applications need to be received by the Village Clerk's Office at least 3 weeks prior to the event.
