# Save the Caboose

The Soo Line caboose that has been sitting next to the Depot since the 1970's is in need of repair. The condition has not completely deteriorated but is getting close. In partnership with the Elkhart Lake Historical Society, we are looking at what needs to be done to save the caboose. We need your help. The Village and the Historical Society have committed dollars to help with the refurbishment. If you are interested in helping, by donating money or helping work on the caboose, please let us know. Call the Village at 920-876-2122 and leave your information. We will contact you.

## A Work in Progress...

Many of you have been wondering why it is taking so long to finish the caboose. Remembering that the caboose is over 100 years old and has been sitting in the elements since it was built, we were guaranteed to have some issues, and we certainly did. When our restoration crew, headed by Fred

Bauer, started work on the cupola it became apparent that he had a major issue to contend with. The cupola is the section that is on the very top of the caboose. As a result of this problem, he spent the entire summer trying to save the cupola. It was completely rotted out and he had to do a major fix to stabilize that section. He said it was about to collapse. Fred also found major issues on the roof after the rubber was pulled off. In any event, the structure

is now sound. Fred has stated the work is close to completion, and in spring the project will be finished. When work resumes, the new slats will be installed and a new Soo Line sign decal will be painted on the sides. When all is said and done we will have a caboose that will be fully restored and will last for years to come.

This unexpected delay did not come without a cost. The Elkhart Lake Historical Society is looking for donations to help defray the costs associated with the caboose restoration. Donations to the Elkhart Lake Historical Society are tax-deductible. If you can help, please make checks out to the Elkhart Lake Historical Society and drop them off at the Village Hall located at 40 Pine Street or mail them to % Village of Elkhart Lake, PO Box 143, Elkhart Lake, WI, 53020.
