### **Public Comment –**

Tod Hellmann, a developer who developed Cedar Landing and Kettle Moraine Highlands, which benefits the community. He is not opposed to affordable housing in this community. He is working with his ex partner on a plan to present to the Board. He is opposed to being misled and lied to. He stated that the Roeh's stated that other communities were offering \$30,000 per unit to developers. Hellmann stated he sent an email showing it wasn't true in Kiel or in Plymouth. Plymouth did not pay anything. The City of Sheboygan Falls is not giving any money either. Hellmann would like the Roeh comment withdrawn, as it angers other communities. He also would like the Roeh's to provide more information, including the landscape plan, visitor parking, and garbages.

Josh Levy spoke on behalf of Christi Sadiq and Strawberry. He sees a few issues with how the process went on July 2<sup>nd</sup>. He would like the Board to reconsider the rejection of the permit, and would like it on the agenda again in 2 weeks. They would like to mediate this issue through the Village. He stated he did not think the rules were followed, as the minutes did not come out quick enough for review. He feels it did not follow the rules of the ordinance. He then discussed that the ordinance was under the chapter of orderly conduct. He stated that she had a vet record, the police

chief at her house, support of everyone within 300 feet. He does not know why it is back on the agenda. He feels there is personal animosity. They would like to work with the Village and have the deadline extend from September 26<sup>th</sup> to November 1<sup>st</sup> and work with the Protection of Persons & Property on animal control. Levy then discussed emotional support animals.

### **C. Sadiq – Pig Stipulations**

Rudnick appreciates the attorney's comments. Rudnick stated at the meeting we were discussing whether to grant a permit for Christi's pig and the motion was denied. Rudnick stated there were two options at that meeting, remove it within 2 weeks or keep it until she leaves for Florida. Christi stated she would be leaving on September 26<sup>th</sup>, 2018. She also stated she was willing to keep the pig in the back garden before she leaves for Florida. The Board also stated if there were issues it would be brought back before the Board. Rudnick reported that there had been multiple reports of Strawberry roaming the Village, so the Board is looking for a clarification of the motion from July 2<sup>nd</sup>.

(Rudnick/Schott) moved and seconded to formalize the results of the Public Hearing that it was agreed that the pig may remain in the Village until the owner leaves on September 26. Further, the pig will remain in its residence or back yard until the 26th. Further, if the pig is sighted in the village,

the owner will be cited and be fined \$100 per day plus court costs until the pig leaves the village on or before September 26, 2018. The \$200 owed for the public hearing plus any fines will be placed on the owner's real estate tax bill, if not paid.

#### **MINUTES September 17<sup>th</sup>, 2018**

Minutes of the regular meeting of the Board of Trustees of the Village of Elkhart Lake held on Monday, September 17<sup>th</sup>, 2018 at the Grashorn Memorial Civic Center in the Village of Elkhart Lake with the agenda having been duly posted on Thursday, September 13<sup>th</sup>, 2018 at National Exchange Bank and Trust, the Elkhart Lake Post Office, Wisconsin Bank and Trust and the Municipal Office between the hours of 3:15 P.M. and 3:39 P.M. and on the Village website on Thursday, September 13<sup>th</sup>, 2018 at 4:00 P.M.

President Rudnick called the meeting to order at 7:00 P.M. with the following Trustees present: Terri Knowles, Geoff Bray, Lynn Shovan, John Schott, and Richard Baumann. Trustee Richard Sadiq was absent.

Others in attendance include: Jeff Behnke; Melissa Mooney; Orlando Zulueta; William Hall; Heidi White; Mike White; Tom Karras; Dennis Lasocki; Mike Koehler; Josh Levy; Zdeena Hayssen; Ian DeMarre; Ketajh Brown; Gary Roeh; Lola Roeh; Jesse Salzwedel; Jennifer Kozlowski; Katherin

Kozlowski; Steve Sutcliffe; Lucy Sutcliffe; Julia Loo Sutcliffe; Christi Lueck- Sadiq; Mike Wolf; Emmitt Feldner; Jessica Reilly, Administrator/ Clerk-Treasurer.

The Pledge of Allegiance was recited.

**Public Comment** – J. Levy stated he does not think that Strawberry is getting a fair view. He asked the Board members to think of their oath of office and be impartial and look out for the best interest of all villagers. He once again asked the Board to act impartially and to pay attention that it is an emotional support animal. He then stated that the Board is having ad-hoc committee meetings to repeal the ordinance. He stated this type of work around is not within the oath of office.

K. Brown discussed the slippery slope argument. He states this arguments fails for many reasons, but he concentrated on two points. The first is that Strawberry is a not a random non-domesticated pig. Strawberry is an emotional support animal. The second argument is that the Board is creating a slippery slope or setting precedent. He then argued that the creation of the Ad-Hoc Ordinance Committee for this purpose means that the 957 residents do not have rights. He stated this is the slippery slope. He stated that the Village Board assumes it can act with impunity to deny rights, such as access to medical care. He asked the Board to think long and hard about the act of repealing the ordinance.

M. Koehler is going to articulate what he feels the silent majority opinion is on the subject. He applauds the Village Board's prior decision on strawberry the pig kerfuffle. He encourages the Board to remain steadfast in its position, notwithstanding the threat of litigation. The border issue here is if the Board allows this pig what is going to happen next. Is it going to be a penguin, goat, or giraffe? I do not want Elkhart to turn into a walking zoo. He encouraged the Board to remain steadfast in its position.

C. Sadiq stated she owns 8 houses in this town. She stated that a pig is no different than a dog. People do not want penguins or giraffes, but it is logical for the pig. The pig does not make noise and only poops in one spot. The pig does not roam the streets and she walked it one time to get exercise. She wants people to use logic. How many people are going to run out and get a pig. This is a domesticated animal. Kids like to see the pig. Let me have my dog; that's what you're doing is making me give away my dog. Let's use some logic.

M. Mooney she states that she has an emotional support animal. She states that to have a giraffe here a psychologist would need to deem it an emotional support animal. This would call this medical professional into question. It needs to be a credentialed person calling it an emotional support animal.

J. Salzwedel stated it is easier to live next to Strawberry than most dogs. She is extremely quiet. I have heard very little noise. Strawberry is a calm pet. His dog and Strawberry have had many interactions and Strawberry has been very calm and easy going. There are no issues having the pig in the neighborhood.

T. Karras spoke in support of the pig. He stated there were three points that he wanted to make. The first point is that this animal has been deemed an emotional support animal. The second point was that he is distressed that this has been causing negative publicity on a local, state, and national level. He is embarrassed that the Village is not allowing the pig. Finally, he stated that this is not a barnyard pig. This is a docile animal and that it is smarter and cleaner than dogs. Stated it would be a shame for

Christi to leave the community because the Board did not grant the pig. For those reasons he asks the Village to grant the Christi the pig.

H. White wants to ask the Board to consider having the pig stay with Christi as her emotional support animal. She then discussed a prior ordinance change for the number of dogs that are allowed in the Village. She stated if you were thinking about changing the ordinance to not allow pigs or emotional support animals, why couldn't you grandfather Strawberry. She suggested allowing Strawberry to remain in the Village, but then change the ordinance and the pig would be grandfathered.

J. Sutcliffe spoke in support of the pig. She stated she is saddened that this issue has gotten to this point. She stated the Village Board is not consistent. She feels there are personal vendettas and a personal undertone to this decision. She stated that the pig is not a bad thing; it is quirky, but the Village is quirky. She stated that Strawberry does not distract from the Village and should be allowed.

Z. Hayssen spoke in support of the pig. She stated that she enjoys the pig and the fact that it is eccentric. She feels there should be a compromise for the situation.

# Fall Election - Photo ID Required

***Photo ID will be required at all elections.*** The following are some frequently asked questions about the photo ID law:

## **Do I have the right photo ID?**

Below are the acceptable IDs for voting purposes and can be unexpired or expired after the date of the most recent general election (currently Nov. 8, 2016):

- Wisconsin DOT-issued driver license
- Wisconsin DOT-issued identification card
- Military ID card
- U.S. passport

There may be other acceptable forms of photo ID, but please contact the Clerk's office at 920-876-2122 for more information. The address on your ID does not have to be current. Election officials will only look at your ID type, name, picture, and expiration date.

## **What if I don't have a photo ID?**

If you are eligible to vote but do not have a photo ID, you may obtain a free ID from the Department of Motor Vehicles. Apply for the ID as soon as possible. You'll need some documents to get the ID. For a complete list visit [wisconsindot.gov](http://wisconsindot.gov) or call (608) 264-7447.

## **Do I need a photo ID to absentee vote?**

***Absentee Ballot Requests:*** Requests for ballots sent by mail or email must be accompanied by a photocopy of an acceptable form of voter ID. You will not need to do this with future requests, as long as you have not changed your name or address.

***In-person Absentee Voting:*** If you are casting an absentee ballot in the municipal clerk's office, you must present a photo ID, just as you would at the polls.

## **What can I expect at the polling place?**

Now that voters are bringing their IDs, voting at your polling place will be a little different. ***\*\*Please be prepared & patient.***

***State It:*** As always, you'll need to state your full name and address for the election official who checks you in. They'll check your information in the poll book. Understandably, some people are uneasy about announcing their name in public, but it is the law, and it helps ensure openness in elections.

***Show It:*** Next, it's time to show your photo ID. That way, poll workers can compare your face to your photo and confirm that you really are you.

***Sign It:*** Finally, you'll sign the poll book (unless a physical disability prevents it). Your signature or mark should go right next to your name and address.
