Farmers and Artisans Market

Saturdays now through October 5th 8:30am – 12:30pm

Elkhart Lake's Farmers & Artisans Market in the Village Square is a Saturday morning tradition. Pick up fresh seasonal vegetables, flowers, cheeses, local arts and specialty products from approximately 70 vendors. Every item sold is produced locally in the state of Wisconsin by the person right behind the stand! Grab your reusable grocery bags and head to the square every Saturday morning.

The Village Board has approved two escorts over the next few months. The Porsche Club will be having their annual event on August 31, 2019. The cars will arrive around 5:30 pm and park along Lake Street. The non-street legal vehicles will

then leave Elkhart Lake at 8:45 pm. The Annual Elkhart Lake Fall Vintage Festival will be held on September 14, 2019. The cars are escorted from Road America around 2:30 pm and go back to the track around 4:30 pm. They park along Lake Street between Square and Elm Streets. *Street closures and parking restrictions are limited to Lake Street only during these events. There are no changes from previous years' events.*

Comprehensive Planning Survey – Sanitation System

In compiling the survey answers, we noticed a lot of misconceptions when it comes to Village services. We hope that by highlighting information on these services every month, our residents will better understand what makes living in Elkhart Lake so special. In this month's article we will discuss the Village's Sanitation System. The Village has 7.8 miles of a sewer collection system that then connects to Northern Moraine Utility Treatment Facility. Each year approximately 20% of the Village's sewer lines are cleaned and televised. There are two lift stations in the Village. The Village owns and maintains one, while Northern Moraine Utility owns and maintains the other. A lift station is designed to move wastewater from lower to higher elevations, so that where the wastewater is conveyed it can then flow by gravity. Many residents do not realize that the entire Village is not on the sanitation system. The north shore of the lake is not on sewer or water. Some of our more seasoned residents may remember that the Village used to own its own sewer treatment facility. That facility closed in 1975 when the Village joined the Northern Moraine Utility Commission.

The Village is a 68% owner of the Northern Moraine Utility Commission. This Commission is made up of the Village of Elkhart Lake, Village of Glenbeulah, Unincorporated Village of Greenbush, and Sanitary District #1 of the Towns of Rhine and Plymouth. We are one vote on this four-member body. Our current member is Village Trustee John Schott. Major upgrades were made to the treatment plant in 2009/2010. The Village pays Northern Moraine for the treatment services and also has two loans for the plant upgrades that were completed in 2010. The Village's sewer rates are reflective of the costs of Northern Moraine Utility sewer treatment, the loan payments for the plant upgrade, and the maintenance or replacement of the Village's portion of the sewer collection system. When Northern Moraine Utility increases the rates for the treatment of sewage, the Village in turn must increase the rates on our customers' bills. Northern Moraine is contemplating a rate increase for 2020; which means the Village will be reviewing our rates in early fall.

ATTENTION DOG OWNERS!

It is unlawful for a dog to be within *any public park or beach or the fireman's park or beach* except as provided in the Village of Elkhart Lake-Glenbeulah Athletic Association Park rules and regulations (1)b14.

VILLAGE ORDINANCE 8.27: It shall be unlawful for any person who owns, harbors, or keeps a dog to permit such dogs to **run at large** any time of year within the Village limits. Any dog which is off the premises of its owner or keeper must be under the control of an **attendant holding a leash**, maximum of 8 feet. Any dog on owner's premise which is not leashed (15 feet maximum), fenced in, or under control of an attendant would be considered running at large.

VILLAGE ORDINANCE 8.29: Any person owning or having control of any animal shall **clean up** the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on **public property**. The Village has installed Dog Refuse Stations throughout the Village to help in the cleanup effort. The stations are located at

- S. End of Walkway
- N. End of Walkway
- Near Village Square Park
- S. Lake Street near Elm St.
- Osthoff Avenue
- Lions Park
- E. Rhine St. near Charlene's
