Please do not put medications in the Police Drop Box on the outside of the Village Hall.

The Police Department has a secure medications drop box located in the lobby of the police department. It is available to have any pill medications dropped during normal business hours. This program is in cooperation with the Sheboygan County Planning Department and is intended to keep old harmful medications from entering our water supply. Any old medications can be dropped off in the box and will be disposed of without charge. **Medications should be removed from their containers so medicine only goes in.** This means no packaging (bottles, blister packages, etc.) should go into the box. **Also very important: please do not place any other medical waste, syringes, or liquids in the drop box.** Any questions, please contact us at 920-876-2244.

Railroad Right-of-Way

The railroad tracks running through the Village have become a popular location for family photos, graduation photos, and selfies. **Taking photos on the railroad tracks or the right-of-way is both dangerous and illegal.** In most areas, including within Village limits, the railroad owns 50 feet each way from the center of the tracks. The only places it is legal to access railroad property is at a designated pedestrian or roadway crossing. The Federal Railroad Administration reminds people to “Always Expect a Train!” and to keep these tips in mind when crossing tracks:

- Trains do not follow a set schedule, so they can come at any time of day from either direction.
- A train traveling at 55 MPH can take more than a mile to stop.
- Trains overhang railroad tracks by three feet or more on either side. Even when you are not standing directly on the tracks, you risk being hit by a train by being on railroad property.
- Despite their size, trains are relatively quiet and do not always sound warning horns when approaching a crossing.
- Never attempt to walk under, around or between train cars, even when a train is at a complete stop.

For more safety tips, view FRA's railroad website - <https://www.fra.dot.gov>

Attention Dog Owners: It is unlawful for a dog to be within *any public park or beach or the fireman's park or beach* except as provided in the Village of Elkhart Lake-Glenbeulah Athletic Association Park rules and regulations (1)b14.

VILLAGE ORDINANCE 8.27: It shall be unlawful for any person who owns, harbors, or keeps a dog to permit such dogs to **run at large** any time of year within the Village limits. Any dog which is off the premises of its owner or keeper must be under the control of an **attendant holding a leash**, maximum of 8 feet. Any dog on owner's premise which is not leashed (15 feet maximum), fenced in, or under control of an attendant would be considered running at large.

VILLAGE ORDINANCE 8.29: Any person owning or having control of any animal shall **clean up** the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on **public property**. The Village has installed Dog Refuse Stations throughout the Village to help in the cleanup effort. The stations are located at the North and South ends of the Lake Street Walkway, near Village Square Park, on South Lake Street near Elm Street, on Osthoff Avenue, at Lions Park, on East Rhine Street near Charlene's, and on East Rhine Street near Cal & Gus.
