First Responder Brat Fry at Anchor Lanes

The Elkhart Lake & Glenbeulah First Responders will be hosting a brat fry at Anchor Lanes on Saturday, April 1st from 11:30 am until 5:30 pm in conjunction with the Lions Club Sports Raffle. Brats, burgers, baked goods, and fries will be available. Come support the local EMS groups.

Hydrant Flushing & Sewer Cleaning Tentative Schedule

Hydrant flushing will be done the second or third week of April depending on the weather. We will also be cleaning a portion of our sewer lines in the spring.

Let's Talk Trees!

The urban forest is a vital part of village life. It provides environmental, economic, aesthetic, and health benefits.

The Village of Elkhart Lake is a 23-year Tree City based on these qualifications: maintaining a Tree Commission, having a community tree ordinance, spending \$2.00 per capita on our urban forest, and celebrating Arbor Day with our 5th graders. Pat Robison, Frank Thielman, Anne Hatas, Steve Kapellen, and John Schott are our tree commissioners with Katrina Weir, Village Deputy Clerk, as the community

liaison. The commission is responsible for stewardship of the village park and parkway trees working with our public works department to coordinate tree planting, removal, replacement, and maintenance. Other projects include providing information to the community about the impact of the urban forest, long term planning, and the 5th grade arbor day artwork and tree planting events. In 2023 the Commission is focusing on working together with the community to protect and maintain village trees.

BUILDING PERMIT REMINDER!

If you are planning a construction project on your home or business you must apply for a building permit. **Permits must be obtained prior to commencement of work. Failure to do so will result in double the permit fees and may result in a fine of up to \$1000.** If you are unsure if your project requires a permit, please call the Clerk's Office at 920-876-2122.

Planning Commission Update

The Planning Commission has been busy meeting with General Capital and Van Horn Development on the apartment and townhouse development on the old County property along Highway 67. The developers have been applying for their conditional use permits and rezonings. The Village is working on drafts of the development agreements. The General Capital project will have apartments that the rent charged is income based. This will be a 50-unit building with 1, 2, and 3 bedroom units. This building will also have underground parking. The Van Horn development will be townhouses that appear to be row houses with 5- 10 units per building. These units will all have 2 car garages on the lowest level, a second level with the kitchen and living room, and the top level with the bedrooms. These units will have 2 or 3 bedrooms. The developers have submitted preliminary elevation drawings of the apartment complex and the townhouse building which are shown below. If you are interested in learning more about the projects, please attend our Planning Commission meetings, which are posted on the Village website. The next two Planning Commission meetings are scheduled for March 29th and April 12th.

Village-wide Revaluation

A revaluation is a village-wide review of all property assessments. Adjustments are made where necessary to guarantee that all property is assessed at market value. This ensures that taxes are distributed equitably. The State of Wisconsin sets standards that all communities in the State must be valued at 100% of market value or be kept within 10% of that value. The Village has fallen below these standards. The last revaluation was done in 2008. The Village has contracted with Grotta Appraisals to have all properties assessed at 100% of market value as of January 1, 2023. Grotta has sent letters to all property owners about the process. The Village has approved an exterior inspection process only. They will not be going inside of properties. Grotta began their work this summer, but these values will not be in effect until the **December 2023 tax bill**. A badge with photo ID will be worn by assessment staff while in the field. If you have any questions, please contact Jessica at 920-876-2122.

Dog Licenses are due March 31st

Please stop in at the Village Hall to provide proof of rabies vaccination and pay the fee (\$7.00 per spayed or neutered dog and \$14.00 per dog if not spayed or neutered.)

Attention Dog Owners: It is unlawful for a dog to be within *any public park or beach or the fireman's park or beach* except as provided in the Village of Elkhart Lake-Glenbeulah Athletic Association Park rules and regulations (1)b14.

VILLAGE ORDINANCE 8.27: It shall be unlawful for any person who owns, harbors, or keeps a dog to permit such dogs to **run at large** any time of year within the Village limits. Any dog which is off the premises of its owner or keeper must be under the control of an **attendant holding a leash**, maximum of 8 feet. Any dog on owner's premise which is not leashed (15 feet maximum), fenced in, or under control of an attendant would be considered running at large.

VILLAGE ORDINANCE 8.29: Any person owning or having control of any animal shall **clean up** the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on **public property**. The Village has installed Dog Refuse Stations throughout the Village to help in the cleanup effort. The stations are located at the North and South ends of the Lake Street Walkway, near Village Square Park, on South Lake Street near Elm Street, on Osthoff Avenue, at Lions Park, on East Rhine Street near Charlene's, and on East Rhine Street near Cal & Gus.

Household Hazardous Waste

Sheboygan County has established three (potentially four) periodic collection sites for disposing of hazardous wastes. The majority of the program is funded with County tax dollars, so be prepared to show proof of residency. When those funds are depleted, the sites will be closed until funds are again available. The fees are: \$15 – Vehicles with hazardous waste only, \$40 – Vehicles with household size electronics only (for each 6 items), and \$40 – Vehicles with both hazardous waste and household size electronics (for each 6 electronic items). For more information on the days, times, and locations please visit

<https://www.sheboygancounty.com/home/showpublisheddocument/17380/637804434735600000>.

Garbage Collection Issues

Please call Waste Management at 1-888-960-0008 if you have any questions, they miss your pick-up or for repairs to carts. Make sure to use our Customer ID# 82300982379. Then please call the Clerk's office at 920-876-2122 and let us know. There have been some issues with the transition to Waste Management and the Village is trying to keep track of the issues people are experiencing.

From the Elkhart Lake Police Department:

Medicines go here...

...not here

Please do not put medications in the Police Drop Box on the outside of the Village Hall.

The Police Department has a secure medications drop box located in the lobby of the police department. It is available to have any pill medications dropped during normal business hours. This program is in cooperation with the Sheboygan County Planning Department and is intended to keep old harmful medications from entering our water supply. Any old medications can be dropped off in the box and will be disposed of without charge. **Medications should be removed from their containers so medicine only goes in.** This means no packaging (bottles, blister packages, etc.) should go into the box. **Also very important: please do not place any other medical waste, syringes, or liquids in the drop box.** Any questions, please contact us at 920-876-2244.

You may not realize how a small leak can be costly. Below is an image that shows that a faucet dripping only 30 drops per minutes can mean that 54 gallons are lost a month. If you have a leaking toilet that is leaking at ¼ gallon per minute, it can use 10,800 gallons per month and can cost over \$125 in water and sewer charges in one month in the Village of Elkhart Lake. If you suspect your toilet is running or leaking you can contact the public works department and they can check for a leaking toilet. If you have any questions, please call 920-876-2122.

Pay your water bill automatically!

Village Water System

The Village hired a contractor, who spent the last few months cleaning one of the Village's wells and also providing pump refurbishment. This well had not been cleaned since it was originally put into service in the early 2000s. This cleaning should help to improve water quality. The Village is working on putting together a long-term maintenance plan for both wells and water towers.

The Village is continually testing its water for contaminants. In order to ensure that tap water is safe to drink, the EPA prescribes regulations that limit the amounts of certain contaminants in water provided by public water systems. The Elkhart Lake Water Utility annually files a report about the water quality in the Village. The 2021 Consumer Confidence Report is available to view online or via paper copy.

To view it online visit

www.elkhartlakewi.gov/departments/water.

To obtain a paper copy, please stop in at the Clerk's Office at 40 Pine Street, call 876-2122 or email clerk@elkhartlakewi.gov.

Sewer rates have increased effective January 1, 2023. This is due to an increase in the rate Northern Moraine Utility is charging the Village. Sewer rates are now \$7.15 per 100 cubic feet. Please contact the Village Administrator/Clerk-Treasurer's Office at (920) 876-2122 if you have questions related to water or sewer billing.

Do I need a photo ID to absentee vote?

Absentee Ballot Requests: Requests for ballots sent by mail or email must be accompanied by a photocopy of an acceptable form of voter ID. You will not need to do this with future requests, as long as you have not changed your name or address.

In-person Absentee Voting: If you are casting an absentee ballot in the municipal clerk's office, you must present a photo ID, just as you would at the polls.
