Attention Dog Owners...Scoop the Poop!

The Village has installed Dog Refuse Stations throughout the Village to help in the cleanup effort. The stations are located:

- At the North and South ends of the Lake Street Walkway

Property Tax Collection Information

The Village Administrator/Clerk-Treasurer has the responsibility of collecting the taxes for the State of Wisconsin, Sheboygan County, Elkhart Lake-Glenbeulah Schools, LTC, and the Village of Elkhart Lake. Property tax bills are mailed out in **mid-December**, as soon as all the information is received from the various tax jurisdictions, compiled, and submitted to the Sheboygan County Treasurer's Office. **The first installment is due and payable to the Village of Elkhart Lake by January 31st of each year. The second installment is due and payable to the Sheboygan County Treasurer by July 31st of each year.**

If you have any questions regarding the tax bills or payment, please contact the Village Administrator/Clerk-Treasurer's Office at 920-876-2122.

Village-wide Revaluation Update

A revaluation is a village-wide review of all property assessments. Adjustments are made where necessary to guarantee that all property is assessed at market value. This ensures that taxes are distributed equitably. The State of Wisconsin sets standards that all communities in the State must be valued at 100% of market value or be kept within 10% of that value. As the Village had fallen below these standards, we were out of compliance with State Statutes and were required to complete a revaluation.

Property values are increasing an average of 42%, but lake properties are seeing larger increases. Even though your property value may increase that does not automatically mean taxes will increase. The levy limit for the Village still remains the same. If you have questions on the value of your property, we request that you call Grota Appraisals at 262-253-1142.

BUILDING PERMIT REMINDER!

If you are planning a construction project on your home or business you must apply for a building permit. Permits must be obtained prior to commencement of work. Failure to do so will result in double the permit fees and may result in a fine of up to \$1000. If you are unsure if your project requires a permit, please call the Clerk's Office at 920-876-2122.

How Are Road Maintenance Decisions Made?

While it may seem that decisions regarding street maintenance are arbitrarily made, there is actually a system in place to help Village staff and the Public Works committee of the Board of Trustees make these decisions. They use the Wisconsin Information System for Local Roads (WISLR), an internet-accessible system that helps manage local road data to improve decision-making and meet state statute requirements. WISLR is also used to report local road information (such as width, surface type, surface year, shoulder, curb, road category, functional classification, and pavement condition ratings) to WisDOT. Pavement condition ratings are used to determine which streets are most in need of repairs such as crack filling, seal coating, grind and overlay or complete reconstruction.

General Capital/Van Horn Development

The Planning Commission and Village Board worked tirelessly to finish the development agreements for the apartment and townhouse development at 604 S. Lincoln Street (the old County property along Highway 67). A 50-unit apartment building will be built by General Capital and Van Horn will build 11 townhouse buildings. The townhouses will total 70 units. A lot of dirt's been moved in the last month. We're expecting the last of the buildings on the old County property to be demolished in the next month as well. As part of this development the Village will be installing curb and gutter and sidewalk/multi use path all the way to Badger Road. The Village is also requiring a playground to be included in this development. If you have questions or comments on the project, please contact Jessica Reilly at 920-876-2122 or clerk@elkhartlakewi.gov or reach out to a Village Board member.

We will kick off the holiday season and light the tree at 6:15pm. See you there!

Mailbox Placement & Snow Plowing

The US Postal Service has guidelines to follow when placing your mailbox at your residence. The mailbox needs to be 41" to 45" from the road surface to the bottom of the mailbox or the point of mail entry. The mailbox also needs to be 6" to 8" back from the curb or curb line. Below is a drawing with these specifications. If your mailbox is damaged due to snow plowing and it does not meet the US Postal Service guidelines, you will be responsible for any repairs or replacement that is needed.

Winter Parking Regulations

Parking is allowed overnight in the N. East Street parking lot until 6 am; at that time your vehicle must be moved until 9 am.

6.02 (3) (a) No parking of any motor vehicle shall be permitted on either side of any Village street or in the parking lot north of Square Street between the hours of 2 A.M. and 6 A.M. and no parking in the lot on North East Street from 6 A.M. until 9 A.M.

commencing the **fifteenth (15th) day of November** and ending on the first (1st) day of April of every year.

(b) Any vehicle parked in violation of the provisions of this ordinance shall be removed from the streets and stored, and such removal and storage shall be at the expense of the owner of said vehicle.

Vehicles violating this ordinance will be ticketed.

Snow Removal

Please remember that we have many residents and visitors who walk our sidewalks on a daily basis. It is a property owner's responsibility to keep all sidewalks clear of snow and ice so that all may use the sidewalks without fear of slipping. **Please check your sidewalks periodically for snow, slush, and ice.** Property owners who own corner lots must be sure to clear out the entire width of the corner access to crosswalks. A small path through is not sufficient, especially for those using wheelchairs, power scooters, or strollers. **Snow may not be pushed into the street.**

According to section 10.03 of the Village of Elkhart Lake Code:

- The owner, occupant or person in charge of each and every building or structure or unoccupied lot in the Village fronting or abutting any street, shall clean or cause to be cleaned the sidewalk in front of or adjoining each such home, building or unoccupied lot as the case may be, of snow or ice to the width of such sidewalk within 14 hours of any snowfall, within any 24-hour period.
- No person, firm, company or corporation shall push, place, shovel or blow snow or ice into or across Village streets, alleys, or around or against water hydrants.

The Village is continually testing its water for contaminants. In order to ensure that tap water is safe to drink, the EPA prescribes regulations that limit the amounts of certain contaminants in water provided by public water systems. The Elkhart Lake Water Utility annually files a report about the water quality in the Village. The 2021 Consumer Confidence Report is available to view online or via paper copy.

To view it online visit www.elkhartlakewi.gov/departments/water.
To obtain a paper copy, please stop in at the Clerk's Office at 40 Pine Street, call 876-2122 or email clerk@elkhartlakewi.gov.

Sewer Rate Increase Effective January 1, 2024

Effective January 1, 2024, sewer consumption rates will increase from \$7.15 per 100 cubic feet to \$7.55 per 100 cubic feet. The increase is due to Northern Moraine increasing rates, so in turn we need to increase our rates. If you have any questions please contact the Clerk's Office at 920-876-2122.

You may not realize how a small leak can be costly. Below is an image that shows that a faucet dripping only 30 drops per minute can mean that 54 gallons are lost a month. If you have a leaking toilet that is leaking at 1/4 gallon per minute, it can use 10,800 gallons per month and can cost over \$125 in water and sewer charges in one month in the Village of Elkhart Lake. If you suspect your toilet is running or leaking you can contact the public works department and they can check for a leaking toilet. If you have any questions, please call 920-876-2122.

Then please call the Clerk's office at 920-876-2122 and let us know. Household Hazardous Waste

Sheboygan County has established three (potentially four) periodic collection sites for disposing of hazardous wastes. The majority of the program is funded with County tax dollars, so be prepared to show proof of residency. When those funds are depleted, the sites will be closed until funds are again available. The fees are: \$15 – Vehicles with hazardous waste only, \$40 – Vehicles with household size electronics only (for each 6 items), and \$40 – Vehicles with both hazardous waste and household size electronics (for each 6 electronic items). For more information on the days, times, and locations please visit <https://www.sheboygancounty.com/home/showpublisheddocument/17380/637804434735600000>.

From the Elkhart Lake Police Department:

Medicines go here...

...not here

Please do not put medications in the Police Drop Box on the outside of the Village Hall. The Police Department has a secure medications drop box located in the lobby of the police department. It is available to have any pill medications dropped during normal business hours. This program is in cooperation with the Sheboygan County Planning Department and is intended to keep old harmful medications from entering our water supply. Any old medications can be dropped off in the box and will be disposed of without charge. **Medications should be removed from their containers so medicine only goes in.** This means no packaging (bottles, blister packages, etc.) should go into the box. **Also very important: please do not place any other medical waste, syringes, or liquids in the drop box.** Any questions, please contact us at 920-876-2244.

Attention Dog Owners:

Dogs Need to be Leashed and are Prohibited from Village Parks & the Beach

Lately there has been an increase in the number of complaints the Village has been receiving relating to dogs. This is a reminder that dogs need to be leashed when they are off your property. The dog must be under the control of an attendant holding a leash a maximum of 8 feet when off the owner's premise.

It is unlawful for a dog to be within *any public park or beach or the fireman's park or beach* except as provided in the Village of Elkhart Lake-Glenbeulah Athletic Association Park rules and regulations (1)b14.

VILLAGE ORDINANCE 8.27: It shall be unlawful for any person who owns, harbors, or keeps a dog to permit such dogs to run at large any time of year within the Village limits. Any dog which is off the premises of its owner or keeper must be under the control of an attendant holding a leash, maximum of 8 feet. Any dog on owner's premise which is not leashed (15 feet maximum), fenced in, or under control of an attendant would be considered running at large.

VILLAGE ORDINANCE 8.29: Any person owning or having control of any animal shall clean up the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on public property. The Village has installed Dog Refuse Stations throughout the Village to help in the cleanup effort. The stations are located:
