Motion Carried Unanimously

Public Comment – W. Orth spoke about the proposed noise ordinance, in particular about concerns with the Sunday decibel reduction on Siebkens' normal operations and the amount of time that live music can play on Sundays.

L. Stecker stated that the Village does not allow any motors on Sundays, so it should be a quiet day. She expressed concern that last year there was music for 60 days straight and that the Tourism Commission cannot forget about residents. She also stated that Tourism has the Elkhart Lake Way initiative. She is appreciative of the Board's time and effort.

J. Selak stated he has been a resident for 10 years and plays in bands. The music adds to the allure of Elkhart Lake.

D. Steffen stated Elkhart is a town known for music, but that maybe a possible solution would be to end live music a little earlier in the night. He understands that music every night could be a bit much.

B. Hall stated that this proposal is not anti-business. He was a member of the subcommittee and thinks a reduction in the number of days and decibel levels is appropriate. He stated that many of his clientele are race teams that are in bed by 9 pm and want to stay elsewhere as 11 or 12 pm is too late for music.

H. Karas stated that he would like one peaceful day, which is Sunday. He also agrees with music only from 4-8 pm on Sundays.

C. Kreig stated that music every day of the week is too much. She stated that when 11 pm comes around the music should be shut off and this needs to be adhered to.

S. Zander stated that she moved from the Osthoff Resort due to the noise. She was there for 19 years and agrees there should be lower decibels and an earlier stopping time for music.

M. Koehler read a letter from the Chamber Board of Directors which expresses concern about the proposed noise changes, including economic impacts on the local businesses. The Chamber Board asked the Village Board to refrain from implementing any further changes until a more unified solution is reached.

B. Forman stated that she agrees with H. Karas and S. Zander and that music every day is too much. She also asked why for businesses to thrive do they need music every night.

Medicines go here...

...not here

Please do not put medications in the Police Drop Box on the outside of the Village Hall. The Police Department has a secure medication drop box located in the lobby of the police department. It is available to have any pill medications dropped during normal business hours. This program is in cooperation with the Sheboygan County Planning Department and is intended to keep old harmful medications from entering our water supply. Any old medications can be dropped off in the box and will be disposed of without charge. **Medications should be removed from their containers, so medicine only goes in.** This means no packaging (bottles, blister packages, etc.) should go into the box. **Also very important: please do not place any other medical waste, syringes, or liquids in the drop box.** Any questions, please contact us at 920-876-2244.

Attention Dog Owners: It is unlawful for a dog to be within *any public park or beach or the fireman's park or beach* except as provided in the Village of Elkhart Lake-Glenbeulah Athletic Association Park rules and regulations (1)b14.

VILLAGE ORDINANCE 8.27: It shall be unlawful for any person who owns, harbors, or keeps a dog to permit such dogs to **run at large** any time of year within the Village limits. Any dog which is off the premises of its owner or keeper must be under the control of an **attendant holding a leash**, maximum of 8 feet. Any dog on owner's premise which is not leashed (15 feet maximum), fenced in, or under control of an attendant would be considered running at large.

VILLAGE ORDINANCE 8.29: Any person owning or having control of any animal shall **clean up** the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on **public property**. The Village has installed Dog Refuse Stations throughout the Village to help in the cleanup effort. The stations are located at the North and South ends of the Lake Street Walkway, near Village Square Park, on South Lake Street near Elm Street, on Osthoff Avenue, at Lions Park, on East Rhine Street near Charlene's, and on East Rhine Street near Cal & Gus.

The Village is continually testing its water for contaminants. In order to ensure that tap water is safe to drink, the EPA prescribes regulations that limit the amounts of certain contaminants in water provided by public water systems. The Elkhart Lake Water Utility annually files a report about the water quality in the Village. The 2021 Consumer Confidence Report is available to view online or via paper copy.

To view it online visit
www.elkhartlakewi.gov/departments/water.
To obtain a paper copy, please stop in at the Clerk's
Office at 40 Pine Street, call 876-2122 or email
clerk@elkhartlakewi.gov.

*****Please remember not to flush sanitary wipes, sanitizing wipes or any other wipes into the sewer. Even flushable wipes are not tolerable.*****

CALL NOW FOR WATER LINE INSPECTIONS!

DNR is requiring all water systems to identify the piping of all private water laterals in the village. Please call 920-876-2231 to schedule a time for Public Works to inspect your line.

**Pay your water bill automatically!
Call the Village Clerk's Office at
920-876-2122 for more information.**

You may not realize how a small leak can be costly. Below is an image that shows that a faucet dripping only 30 drops per minutes can mean that 54 gallons are lost a month. If you have a leaking toilet that is leaking at 1/4 gallon per minute, it can use 10,800 gallons per month and can cost over \$125 in water and sewer charges in one month in the Village of Elkhart Lake. If you suspect your toilet is running or leaking you can contact the public works department and they can check for a leaking toilet. If you have any questions, please call 920-876-2122.

Sewer rates have increased effective January 1, 2024. This is due to an increase in the rate Northern Moraine Utility is charging the Village sewer rates are now \$7.55 per 100 cubic feet. Please contact the Village Administrator/Clerk-Treasurer's Office at (920) 876-2122 if you have questions related to water billing or village sewer systems

BUILDING PERMIT REMINDER!

If you are planning a construction project on your home or business you must apply for a building permit. Permits must be obtained prior to commencement of work. Failure to do so will result in double the permit fees and may result in a fine of up to \$1000. If you are unsure if your project requires a permit, please call the Clerk's Office at 920-876-2122.

***** REMINDER that the grass between the sidewalk and the curb/roadway is the property owners responsibility to mow/maintain.*****

No Mow May

No Mow May was first popularized in the United Kingdom but is now gaining traction across North America. The goal of No Mow May is to pause mowing during the month of May, allowing flowers to bloom in your lawn to help early season pollinators. Late winter and early spring is a time when floral resources are often limited.

The Village is asking those who wish to participate in No Mow May to register with the Village by emailing us at clerk@elkhartlakewi.gov. We will provide you a sign we would like placed in your yard. The Village's ordinance on grass height is still in effect and if your grass is taller than 9" it will need to be mowed during the month. We also ask that if you choose to participate that you mow your lawn on June 1st or 2nd.
